

Addendum to the Memorandum of Understanding

**Between the existing partners of the Central and Eastern European Infrasound
Network (CEEIN)**

1. *Zentralanstalt für Meteorologie und Geodynamik (ZAMG), Vienna, Austria,*
2. *Institute of Atmospheric Physics of the Czech Academy of Sciences (CAS IAP),
Prague, Czech Republic*
3. *Research Centre for Astronomy and Earth Sciences of the Hungarian Academy of
Sciences (MTA CSFK), Budapest, Hungary*
4. *National Institute for Earth Physics (NIEP), Bucharest, Romania*

**for a Collaborative Program on the establishment of a transnational infrasound
network and related data use, data-exchange and research.**

and the

*National Space Facilities Control and Test Center
State Space Agency of Ukraine*

The National Space Facilities Control and Test Center, State Space Agency of Ukraine, represented by the Main Centre of Special Monitoring, was invited on April 4, 2019 to join the initiative according to the cooperative program as laid down in the original Memorandum of Understanding in May 2018, which is attached to this Addendum as its integral part.

By signing this Addendum the NSFCTC SSAU accepts invitation and stipulations of the original Memorandum of Understanding. All activities related to the CEEIN activities in Ukraine will be carried out by the MCSM NSFCTC SSAU.

For the National Space Facilities Control and Test Center, State Space Agency of Ukraine,

Kyiv, 2019 May
